Prácticas a través de TIC	Students may be asked to solve some problem or do some kind of test on the Moodle platform.	20

### Assessment comments

Students will be evaluated along the course by a maximum of 4 activities as well as by the final comprehensive test.

In order to pass students must have a mark of, at least, 4 (of ten) in the final exam. They must also hand in at least half the activities required. If not, the student will not be graded and will receive a "non presentado".

Students that do not pass in January may have another opportunity in July for which there will be a final test (50%) as well as one activity to be done at home&nbsp;(50%).

Part-time students who have been granted a "dispensa académica" must contact the teacher at the beginning of the semester in order to design the necessary changes and adjustments relating to the different activities to be carried out along the academic year.
