| Methodologies          | Competencies /     | Description Qualification  |  |
|                        | Results            |  |  |
| Collaborative learning | A6 A8 A9 B1 B8 B10 | The practices of this material is developed in the classroom and will be assessed by 50  |  |
|                        | C1 C2              | practical exercises to be submitted for evaluation.                                      |  |
| Long answer / essay    | A9 B4 C3           | For the final assessment, a test consisting of facing and solving classroom exercises 50 |  |
| questions              |                    | that are entrusted in accordance to the program content will have to be submitted by     |  |
|                        |                    | the students.  |  |

## **Assessment comments**

For assessment purposes, the following criteria will apply:

The written test (50%) = Long answer /essay and questions

Collaborative learning, 50%. (30%,= class participation, 20% = exercises in classroom)

Students who do not pass first chance or those who are officially

registered as part-time students, and have been granted permission not

to attend classes, as stipulated in the regulations of this University,

will be assessed by means of a written test scoring 50% and an oral examination scoring the other 50% of the total score.
