## Assessment comments

El 'Case study' and 'problem solving' are assessed on a daily basis

Students with recognition of part-time dedication and academic exemption of attendance exemption: Except for the dates approved in the Faculty Board, as far as the mixed test or exams is concerned, for the remaining tests, a specific calendar of dates compatible with their dedication will be agreed upon at the beginning of the course, which is why said students must contact with the teacher in the first ten days of the semester in which the subject is taught, in order to set the aforementioned calendar. The tests will have the same format as for full-time students.

In the event that the student is granted an opportunity for "advanced evaluation", and only in this case, to pass the subject, the student must pass a mixed oral and / or written test aimed at evaluating all competencies and content of the subject.

Qualification of not presented. Corresponds to students, when only participate in evaluation activities that have a weight of no more than 20% on the final qualification, regardless of the grade obtained.
