## Assessment comments

Attendance is COMPULSORY. All students are entitled to an evaluation, which will consist of one final examination, involving a written exam (45), a speaking text (30%), and the Human Resource Seminar (25%). An 80% attendance rate entitles students who fail the written exam and/or speaking test (first opportunity) to repeat only the failed part of the exam in July (second opportunity). This is only valid for the two opportunities corresponding to the academic year in course. Students not meeting the 80% attendance rate will be required to take both the written exam AND the speaking text in July.
