Problem solving	A1 A2 A5 A6 A7 A12 C1 C2 C3 C4 C9 C11 C12	Tasks to be carried out in class on Consolidated Annual Accounts	37

Assessment comments

The continuous assessment corresponds to the evaluation of case studies and problem solving.

On the July opportunity, the same criteria will apply. In this regard, the teacher may propose additional tasks that allow the student to improve the rating of their continuous assessment.

Students with recognition of part-time dedication and academic exemption of attendance exemption: Except for the dates approved in the Faculty Board, as far as the mixed test or exams is concerned, for the remaining tests, a specific calendar of dates compatible with their dedication will be agreed upon at the beginning of the course, which is why said students must contact with the teacher in the first ten days of the semester in which the subject is taught, in order to set the aforementioned calendar. The tests will have the same format as for full-time students.

In the event that the student is granted an opportunity for "advanced evaluation", and only in this case, to pass the subject, the student must pass a mixed oral and / or written test aimed at evaluating all competencies and content of the subject.

Qualification of not presented. Corresponds to students, when only participate in evaluation activities that have a weight of no more than 20% on the final qualification, regardless of the grade obtained.
