| Methodologies | |
|---------------------|---|
| Methodologies | Description |
| Directed discussion | LARGE GROUP classes will be devoted to the presentation and discussion of the background material and the oral and written texts that will illustrate the general concepts. Readings, viewings and/or listening activities will be assigned for each day and students will be expected to demonstrate their grasp of this previously reviewed material. |
| Workshop | The workshops (or "practical classes") will take place in the computer room. We will read, listen to, and analyze texts in different varieties of English. Students will be asked to engage with the material in writing, usually on Moodle. |
| Supervised projects | Different writing tasks in which the students will demonstrate their grasp of the material. Their work will be carefully supervised. |
| Oral presentation | Tasks completed individually and collaboratively in which students will demonstrate orally their grasp of the material. |

| Methodologies | Description |
| Oral presentation Supervised projects | We are available and delighted to meet the students in our offices during office hours. |

| Assessment | | | |
|-------------------|--------------------------|--|---------------|
| Methodologies | Competencies | Description | Qualification |
| Oral presentation | B4 B5 B10 C2 C3 C4 C8 | <p>There will be two oral presentations:</p> <p>I. An INDIVIDUAL presentation during the PRACTICAL CLASS (10%): The individual presentation consists of making a practical analysis of the English variety that you want. This analysis has to comment NECESSARILY on the phonetic and/or grammatical characteristics of a text (e.g. a song or a film in non-standard English).</p> <p>II. AN OPTIONAL VIDEO-PROJECT in GROUP (5%): The format of the video-project in group (3-10 students) is freer, as long as students RESPECTFULLY imitate one non-standard English accent (or more) during the presentation and avoid clichés and stereotypes. Students will prepare the script, tape and upload the video.</p> <p>IMPORTANT: You cannot repeat varieties of English in the presentation, the project and the comparative essay--that is, in total, you will work on at least 4 different varieties. Both for the essay and the presentations, you can choose varieties that were NOT treated in class.</p> | 15 |

| | | | |
|---------------------|--|--|----|
| Workshop | A1 A2 A6 A9 A11 A17 A19 A20 B1 B2 B3 B4 B6 B7 B8 C2 C4 | In the WORKSHOPS (or "practical classes"), which take place in the computer room, students will have to contribute their analysis of and comments on the material reviewed that day (or others) sometimes on paper and often on the MOODLE FORUM. Grades in this section will depend on the work you do in person in the classroom. | 30 |
| Supervised projects | A1 A2 B1 B2 B3 B6 B7 | COMPARATIVE ESSAY: You will have to write a comparative essay on two varieties of non-standard English. These varieties must be different from those you select for your oral presentation and video-project. When I return your corrected papers, you will have to rewrite them following my instructions. The grade obtained will only be effective after said rewriting. More detailed instructions will be given in class. | 15 |
| Directed discussion | A6 A9 A11 A17 A19 A20 B2 B3 B4 B6 B7 B8 C2 C4 | In every THEORY CLASS (i.e. large group), each student will be expected to answer questions about the material assigned for that day (and/or the previous ones) orally or in writing (i.e. TESTS), to participate in the debates and to engage in the rest of the activities. The dates of said tests will be announced ahead of time. | 40 |

Assessment comments

-To pass the course, you must be graded with at least 5 out of 10 in the activities of the THEORY CLASSES and the PRACTICAL ONES, the SUPERVISED PROJECT and the INDIVIDUAL ORAL PRESENTATION, and at least 5 (out of 10) in the final grade. As stated above, the group video-project is not mandatory.

-The students who do not pass the activities of the THEORY CLASSES and/or the PRACTICAL ones can repeat them in the official exam of JANUARY.

-In the official exam of JULY, you will follow the same indications as in January regarding the evaluation of theory and practice. The date of the exam, you will have to send me the supervised work and upload the individual oral presentation. The group video-project will also be optional. It should be noted that each student must complete the section(s) that she or he did not complete in the first opportunity.

-Students sitting the December exam (final exam brought forward) will be assessed according to the criteria specified for the July opportunity.

-Students officially enrolled part-time who have been granted an official dispensation from attending classes will need to contact the teachers at the beginning of the semester. These students will be assessed according to the criteria applied in the July opportunity.

-In order NOT to obtain the grade of "No presentado" (Absent), the student must do at least half of the scoring work (i.e. essay, tests, etc.)

-All assignments must be submitted in time and in the specified format in order to avoid a penalty of 25% on the grade obtained.

-Teachers can use the "Turnitin" plagiarism detection service to review student work. Plagiarism in any activity will mean obtaining a "zero" in it.

-If the coordinator considers it appropriate, there may be topics of self-study by the students (e.g. to increase your knowledge). These materials, which will not be subject to evaluation, will be provided on Moodle.
