#### Recommendations

Subjects that it is recommended to have taken before

Subjects that are recommended to be taken simultaneously

Subjects that continue the syllabus

#### Other comments

It is recommended to send the works electronically and if this is not possible, do not use plastics, choose double-sided printing, use recycled paper and avoid printing drafts.

#### Sustainable

use of resources and the prevention of negative impacts on the natural environment must be made.

#### The

importance of ethical principles related to sustainability values in personal and professional behaviours must be taken into account.
