**FIRST CHANCE**

It will be essential to obtain 50% of the grade corresponding to each of the sections to be evaluated so that the different methodologies are added in order to obtain the final grade. If the minimum required in any of the methodologies is not achieved, the student will not pass the subject.

**SECOND OPPORTUNITY**

If the student passes any of the methodologies on the first opportunity, the grade for that methodology / s will be kept and he will only have to perform the one / s that he has not passed, on the second opportunity.

Students who cannot follow the course normally, due to having the teaching dispensation recognized, must contact the teacher within the first 20 calendar days from the official start of classes to adapt the delivery periods of the different evidence, by sending an email to maria.romani@udc.es.

Those students who do not get in touch within the established deadline, will follow the course like the rest of the students.
