| General description      | O obxectivo da materia é ofrecer un conxunto de ferramentas da análise económica para que o alumno poda abordar o estudo do mercado laboral, o comportamento dos axentes a as súas institucións económicas. A maioría dos tópicos que integran o programa abórdanse en contextos de competencia imperfecta. Ao mesmo tempoponse especial énfase na interacción entre a modelización teórica e empírica, así como na avaliación do impacto das políticas públicas.                                 |        |                          |         |         |
