Assessment comments

Assessment will consist in:

- 30% will be determined by activities carried out

throughout the semester (oral presentations, debates, case studies, ecc.). This mark will be kept for the assessment in the second call.

- 70% will be determined by a final exam, which will be

held on the date established in the official call (first or second opportunity).

In the English programme (Prison Law), this percentage

will be 40%-60%.

Students who have the exemption foreseen in article 7.5

of the Norm regulating studies in the UDC, will only have to do the

final exam (100%).

Fraud committed in activities or exams, once it has been proved, will determine a failing grade.
