| General description | - | se proposing the presentation | of the basic concepts of | design and its universal principles, | | |
| | as well as the introduction to the | | · | | | |
| Contingency plan | In the event of new exceptional c | rcumstances which prevent t | he expected fact-to-face t | teaching, we will move from this to | | |
| | the non-face-to-face teaching me | thodology based on the ICT s | support provided by the U | Iniversity. | | |
| | The ICT tools, provided by the Ur | | | | | |
| | students. | | • | | | |
| | | | | | | |
| | Modifications to the contents. | None. | | | | |
| | In the event of a contingency, the | necessary measures will be | adopted to guarantee the | e quality of the teaching and the | | |
| | integrity of the contents. No chan | - | - | | | |
| | | o | | | | |
| | 2. Methodologies | | | | | |
| | *Teaching methodologies that are | e maintained. | | | | |
| | All of them are maintained, movir | g the teaching mode to a total | al or parcial non-face-to-fa | ace way. | | |
| | *Teaching methodologies that are | e modified. | | | | |
| | There are no plans to modify tead | ching methodologies | | | | |
| | | | | | | |
| | 3. Mechanisms for personalized a | attention to students. | | | | |
| | The mechanisms of personalized attention to the students will use the University platforms indicated above: Moodle, | | | | | |
| | Microsoft Teams and Institutional Email. | | | | | |
| | Temporalization: that established according to the academic calendar and schedule set by the center at the beginning of | | | | | |
| | the course. | • | | | | |
| | | | | | | |
| | 4. Modifications in the evaluation. None. | | | | | |
| | Those criteria that imply attendance and face-to-face teaching will be removed. This principle will be valid temporally from | | | | | |
| | the moment there is an instruction to apply this Contingency Plan. | | | | | |
| | The rest of the evaluation mainta | ned. | | | | |
| | For students with justified difficult | ies it will be possible to find p | ersonalized and alternativ | ve solutions. | | |
| | | | | | | |
| | 5. Modifications to the bibliograph | y or webgraphy. | | | | |
| | The bibliography proposed for the subject is maintained. Those texts, fragments of texts or other material, whose | | | | | |
| | knowledge is essential to pass the subject, will be uploaded to the Institutional file exchange platforms. | | | | | |

| Study programme competences | |
|-----------------------------|-----------------------------|
| Code | Study programme competences |

| A4 | To master the fundamentals of design in general and fashion design in particular, and to frame them in their historical context, both |
|-----|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | specific and general |
| A5 | To develop the necessary skills to generate creative and innovative ideas |
| A18 | To know the plastic and visual languages in the realm of fashion industry design, in order to understand and interpret the artistic creations of fashion garments |
| B1 | That students demonstrate that they acquired and understood knowledge in a study area that originates from general secondary education |
| | and that can be found at a level that, though usually supported by advanced textbooks, also includes aspects implying knowledge from the avantgarde of its field of study |
| B2 | That students know how to apply their knowledge to their job or vocation in a professional form, and have the competencies that are |
| | usually demonstrated through elaboration and advocacy of arguments and problem resolution within their field of study |
| В3 | That students have the capacity to collect and interpret relevant data (normally within their field of study) in order to issue judgements that |
| | include a reflection upon relevant topics in the social, scientific or ethical realm |
| B4 | That students may convey information, ideas, problems and solution to the public, both specialized and not |
| B5 | That students develop those learning skills that are needed to undertake ulterior studies with a high degree of autonomy |
| В7 | Capacity to analyse trends (critical thinking) |
| В8 | Capacity to plan, organize and manage resources and operations |
| В9 | Capacity to analyse, diagnose and take decisions |
| B10 | Capacity to understand the social and historical-artistic dimension of fashion design and industry, as vehicle for creativity and the quest for |
| | new and effective solutions |
| C1 | Adequate oral and written expression in the official languages. |
| C2 | Mastering oral and written expression in a foreign language. |
| С3 | Using ICT in working contexts and lifelong learning. |
| C8 | Valuing the importance of research, innovation and technological development for the socioeconomic and cultural progress of society. |
| | |

*)The information in the planning table is for guidance only and does not take into account the heterogeneity of the students.

| | Methodologies | | | |
|-----------------|-----------------------------------------------------------------------------------------------------------------------------|--|--|--|
| Methodologies | Description | | | |
| Guest lecture / | Theoretical classes and oral presentations complemented by the use of audiovisual media in order to transmit the | | | |
| keynote speech | fundamentals bases of the knowledge and facilitate their learning. | | | |
| Workshop | Training modality oriented to the application of learning in which different methodologies/test - exhibitions, simulations, | | | |
| | debates, problem solving, guided practices and so on - can be combined. Through them students develop tasks that eminently | | | |
| | practical on a specific topic, with the support and supervision of the professors. | | | |

| Supervised projects | Complementary to the lectures and the workshop and in order to promote an autonomous and group learning. The students |
|---------------------|-----------------------------------------------------------------------------------------------------------------------|
| | will continuously develop practical analytical work in various formats under the supervision of the professors. |
| Objective test | Questions about the program will be answered on paper in written form, extensive or graphic format. |

| | Personalized attention | | |

| | Assessment | | | |
|---------------------|--------------------|-------------------------------------------------------------------------------------|---------------|--|
| Methodologies | Competencies | Description | Qualification | |
| Supervised projects | A4 A5 A18 B1 B2 B3 | As a complement to expository and interactive classes and with the objective of | 70 | |
| | B4 B5 B7 B8 B9 C1 | promoting autonomous and groupal learning. Students will continually develop | | |
| | C3 C8 | practical works in different formats under supervision. | | |
| Objective test | A4 A18 B1 B3 B4 B5 | Questions about the program will be answered on paper in written form, extensive or | 30 | |
| | B7 B8 B9 B10 C1 C8 | graphic format. | | |

Assessment comments

- 0. FIRST OPPORTUNITY. Students to be graded at the first opportunity (January) must meet all of the following requirements:
- -Attend 80% of the classes. (Regular attendance means active participation in classes and seminars)
- -80% of works in due dates
- -Group work in due date
- -Answer all the questions in the objective test and minimum grade 4 (each part)
- 1. SECOND OPPORTUNITY (art.18). The second oportunity (July) will only consist in

an objective test. The same requirements as in the first

opportunity, so students must: 1. Meet all the previous 4 requirements

and obtained a grade under 5 in the first objective test. 2. Or they

meet the first 3 requirements and did not attend the first objective

test.2. CONVOCATORIA ADELANTADA (art. 19). Same as second opportunity.3. CALIFICACIÓN DE NO PRESENTADO. NOT TAKEN GRADE

case of failure to comply with any of the three first points (a, b, c) or point 1, the

student will get a "NP" (no presentado) in January and July

oportunities.

If the student do not complete the first objective

test (January) and all the requirements are passed he/she will get a

"NP" (January)

4. PART TIME STUDENTS: For students who are part-time enrolled, the percentage corresponding to individual work is maintained (35%), the obligation to deliver group work is eliminated so the percent of the objective test is 65%.

--

Late registration students:

- -Will have to attend al least 90% of face to face classes
- -Will have to complete all the individual and collective works in due date -after registration-
- -Works done before registration will also have to be done according to the responsible professor.

The other rules without conflicting the previous ones will affect all late registration students.

Incoming and outgoing mobility students will be adapted to the same rules as regular students.
