Assessment comments

* Due to the termination of the present degree program, this academic year there will be no teaching of this subject but there will be official calls for evaluation tests, where a minimum of 5 out of 10 is required in order to pass the course.

- Deadlines are strict: missed or late assignments will not be collected, nor graded.

- In order to pass the course a minimum of 5 out of 10 in the final mark is required. A score of 4 out of 10 is the minimum required in each part of the course contents (grammar structures and technical English).

- End of term exam: $x/5$. The student must achieve a minimum score of 2 out of 5 in the exam to add the class assignment marks ($x/5$) to it. Likewise, a total minimum score of 2 out of 5 in the class assignments is required to add the exam marks ($x/5$) to it. Otherwise, he will be given a final score of 4.8 ($x/10$) and will have to sit for the "second opportunity exam session" in July. Those students who do not sit the exam will be given a grade of NP (absent).

- July opportunity ("second opportunity exam session"): $x/10$. Those students who are absent from or fail the official examination session will have to sit for the "second opportunity exam session" in July, where a minimum of 5 out of 10 is required in order to pass the course. This exam will include all the assignments done during the term.

- Students sitting the December exam (final exam brought forward) will be assessed according to the criteria specified for the July opportunity.

- Students who are officially registered as part time, and have been granted permission not to attend classes, as stipulated in the regulations of this University, will be assessed in either of the opportunities according to the same criteria specified for the second opportunity.

- ADI is a university office specialised in attending to members of the university with special needs due to disability or other differentiating situations with regard to the rest of the community. Students can contact ADI directly at <http://www.udc.es/cufie/uadi/>, or by phone: 981 167000, ext. 5622, or via email: adi@udc.es

- The assessment criteria specified in tables A-II/1 and A-II/2 of the STCW Code, included in the Quality Warranty System, will be taken into account in the design of the students' assessment system.
