

Identifying Data				2023/24		
Subject (*)	Conservation Biology		Code	610485013		
Study programme	Mestrado Universitario en Bioloxía Mariña					
Descriptors						
Cycle	Period	Year	Type	Credits		
Official Master's Degree	2nd four-month period	First	Optional	3		
Language	Spanish					
Teaching method	Face-to-face					
Prerequisites						
Department	BioloxíaDepartamento profesorado máster					
Coordinador	Muiño Boedo, Ramon Jose	E-mail	ramon.muino@udc.es			
Lecturers	Fernández Rodríguez, Nuria Muiño Boedo, Ramon Jose	E-mail	n.fernandez1@udc.es ramon.muino@udc.es

General description	<p>To train students in the basics of conservation biology, providing knowledge tools that allow the resolution of practical cases concerning the marine environment.</p> <p>Check the GADU at:</p> <p><a href="http://masterbiologiamarina.uvigo.es/index.php?option=com_content&amp;view=article&amp;id=71&amp;Itemid=468">http://masterbiologiamarina.uvigo.es/index.php?option=com_content&amp;view=article&amp;id=71&amp;Itemid=468</a></p>					

Study programme competences	
Code	Study programme competences
A2	Coñecemento da diversidade de organismos mariños e as súas estratexias adaptativas
A3	Coñecemento e comprensión das interaccións dos organismos mariños e os ecosistemas mariños e costeiros
A5	Coñecemento dos principios de explotación e sustentabilidade do medio mariño e planificación e supervisión da súa xestión
A8	Coñecemento e manexo da metodoloxía de investigación, das técnicas de mostraxe e instrumentais e de análises de datos aplicados ao medio mariño

Learning outcomes		
Learning outcomes	Study programme competences	
	AJ2	
	AJ3	
	AJ3	
	AJ5	
	AJ8	

Planning				
Methodologies / tests	Competencies	Ordinary class hours	Student's personal work hours	Total hours
Supervised projects		0	20	20
Objective test		3	0	3
Guest lecture / keynote speech		20	28	48
Personalized attention		4	0	4

(\*)The information in the planning table is for guidance only and does not take into account the heterogeneity of the students.

Methodologies	
Methodologies	Description
Supervised projects	
Objective test	
Guest lecture / keynote speech	

Personalized attention	
Methodologies	Description
Supervised projects	

Assessment			
Methodologies	Competencies	Description	Qualification
Supervised projects			35
Objective test			65
