Personalized attention		5	0	5

(*)The information in the planning table is for guidance only and does not take into account the heterogeneity of the students.

Methodologies	
Methodologies	Description
Introductory activities	Course presentation. Syllabus, sources , bibliography, continuous evaluation requirements.
Guest lecture / keynote speech	This teaching method will be used to provide the student with organized information on the fundamental knowledge related to the topics.
Mixed objective/subjective test	Written test on the acquired knowledge of the subject
Workshop	Different activities that require the active participation of the students. The student's capacity of analysis and reasoning will be valued

Personalized attention	
Methodologies	Description

Workshop	Small groups (if planned by the Center) to reinforce individual learning through the supervision of activities Office hours, email, Moodle or Teams (meetings have to be previously scheduled) for students to solve their questions
----------	--

Assessment				
Methodologies	Competencies	Description	Qualification	
Mixed objective/subjective test	A8 A7 C8 C6	The mixed test corresponds to the final written exam to evaluate the level of knowledge that the student has acquired at the end of the course. This will take place on the date established in the academic calendar	60	
Workshop	A1 A2 A10 A11 B2 B3 B4 B5 B8 B9 C1 C4 C7	Continuous assessment: Includes readings, problem solving and class participation	40	

Assessment comments	
In order to pass the course, both opportunities, a minimum score of 5 out of 10 is required.	
In the final exam of the first opportunity it is necessary to obtain a minimum of 4 out of 10. In the case of not achieving the minimum grade of 4 out of 10, the final grade will be the same grade as the one obtained in the continuous evaluation.	
In the second opportunity, the best grade of the following options will be taken: a. The exam will account for 100% of the final grade without taking into account the continuous evaluation. b. The exam will account for 60% of the grade and the remaining 40% will be the grade obtained during the course in the continuous evaluation. It is necessary to obtain a minimum of 4 out of 10 in the exam. If the minimum grade of 4 out of 10 is not reached, the final grade will be the grade obtained in the continuous evaluation.	
In the advanced opportunity, an exam will be held which will represent 100% of the grade.	
It is forbidden to access the exam room with any device that allows communication with the outside and/or storage of information.	
No-show grade: Corresponds to students who only participate in the continuous evaluation activities that have a weighting of less than 20% of the final grade.	
The student will have to personally accredit himself/herself according to the current regulations.	
Students with recognition of part-time dedication, although they are exempt from attendance, they will be regarded with the same criteria as full-time students.	
PLAGIARISM The fraudulent performance of tests or evaluation activities once has been proved will imply the grade of NOT PASS in the call in which the fault is committed and in the subject in which it is committed. The student will be qualified with a ``suspenso'' (numerical grade 0) in the corresponding call of the academic year, whether the commission of the fault occurs in the 1st opportunity or in the 2nd. In order to do this, the student's grade will be modified in the 1st opportunity report, if necessary.

Other comments

To read the economic media is highly recommended. Other readings and material will be available; in the Virtual Campus. Students will turn in their homework through Virtual Campus. Ethical principles related to sustainability should be taken into account. Values of respect and equality will be promoted. Prejudices and sexist attitudes will be identified and encouraged; to be eliminated; Full integration of students who due to physical, sensory, psychological or sociocultural reasons, experience difficulties in gaining adequate, equal and beneficial access to university life will be facilitated.
