Assessment comments

IMPORTANT

In order to pass this course a minimum of 5 out of 10 in the final mark is required. A mark of 4 out of 10 is the minimum required in each of the following parts of the subject: exam and oral presentation.

Any academic dishonesty (plagiarism, cheating in exams, unacceptable use of AI, etc.) will be penalised with the mark of 0 (SUSPENSO) in both the first and the second opportunities, in accordance with the provisions of the "Regulamento disciplinar do estudantado da UDC" (article 11 4b). To detect plagiarism, the application Turnitin could be used. This application recognises papers previously turned in by other people (or the student him/herself) at this university or other universities.

Deadlines for assignments are strict. Late arrivals (up to 5 days) will be penalised (25% off the final mark), unless they are duly justified. Extra-credit material carried out by the students during the course could be awarded up to an extra 5% of the final mark. This can include voluntary work, alternative readings, voluntary participation in forums or any other activity proposed and accepted by students and teachers.

The students who do not attend the official exam will be given a grade of NP (absent) if they have not done the portfolio, the project or the oral presentation.

July opportunity: Students who fail to attend or pass the official examination session in January or those with less than a 4 in the portfolio or in the oral presentation (even if the overall average is superior to 5) will be required to take the "second opportunity exam session" in July, where students can retake the parts they have failed, according to the following distribution of percentages: 1) Mixed test (60%), 2) Activities equivalent to those in the student Portfolio (20%), 3) Supervised Project (10%) and 4) Oral Interview (10%).

Students sitting the December exam (final exam brought forward) will be assessed according to the criteria specified for the July opportunity. Students who are officially registered as part time, and have been granted permission not to attend classes, as stipulated in the regulations of this University, will be assessed in either of the opportunities according to the same criteria specified for the second opportunity. If they wish to present their portfolio, the teacher will indicate which tasks they can complete during the course.

This module can be adapted to students who need support for their particular situation (physical, visual, auditory, cognitive, learning process, or related to mental health). If necessary, students should contact the services available in UDC/in their school or faculty, or the Unidade de Atención á Diversidade (ADI) at the beginning of each academic semester in the timeframe officially established (https://www.udc.es/cufie/adi/apoioalumnado/); alternatively, they can contact the ADI tutor in the Faculty of Philology at the following address: pat.filoloxia@udc.gal).

Gender equality: I will incorporate a gender perspective into this subject. This will include, among other measures, the use of non-sexist language, the selection of books and articles written by men and by women, as well as encouraging participation from all students in class, regardless of their gender. I will also try to identify and address sexist prejudices and attitudes and will actively work towards the modification of this environment and the promotion of values of respect and equality. In the event of gender discrimination, appropriate actions will be implemented to rectify such cases.

materia, a suma das distintas probas, project e demáis actividades avaliables deberá ser 5 sobre

10, tendo en conta que a cualificación

mínima das probas obxectivas de Use of English e das probas que avalían as catro destrezas deberá ser de 4 puntos sobre 10. Os alumnos que acaden máis dun 5 nas probas prácticas de "Use of English" feitas ao longo do cuadrimestre estarán exentos do exame de "Use of English" na proba obxectiva de xaneiro.

Aplicarase unha penalización do 25% sobre a cualificación final de traballos e actividades se estes son entregados fóra de prazo sen causa xustificada. Os alumnos/as que non se presenten o día das probas obxectivas de xuño ou xullo acadarán a cualificación de NP, se non entregaron máis do 50% de actividades durante o curso.

A participación dinámica nas diferentes

tarefas da clase, así como todo o material de "extra-credit" que o alumnado realice ao longo do cuatrimestre, podrá supoñer ata un 5% extra na nota final. Isto inclúe traballos voluntarios, lecturas alternativas ou calquera outra actividade proposta polo profesorado, ou proposta polo alumnado e aceptada polo profesorado.

AVALIACIÓN XULLO: Os/as estudantes que en

xaneiro non superen a materia ou aqueles/aquelas que non presenten alomenos o 50% das redaccións terán que ir á oportunidade de xullo, na que o alumnado terá que demostrar ter acadadas as competencias da materia nos porcentaxes totais establecidos mediante a superación de probas nas distintas destrezas, redaccións sustitutorias das feitas na aula, lectura dunha narración breve distinta á proposta durante o cuadrimestre, e unha entrevista oral individualizada coa profesora.

Alumnado con dispensa: O alumnado matriculado a tempo parcial e que teña concedida unha dispensa académica deberá porse en contacto co profesorado da materia a principio de curso para planificar, en cada situación concreta e individual, os axustes necesarios na avaliación, no tocante as porcentaxes de "discusión dirixida", "lecturas" e "seminario".
