| For the recognition of the qualification for the attendance to the events, students must sign their attendance following the instructions given through the Virtual Campus. Those students who have not been able to attend for a duly justified reason must send the documents proving such justification. The deadline for doing so will be one week after the event is held. | |
| The number of events will not be more than 12 or less than 4, throughout the academic year. Each of the events will score 0.5 points, so that attendance at four of them will guarantee a grade of 2 points, which is 20% of the maximum achievable grade. | |
| The full integration of students who, for physical, sensory, mental or socio-cultural reasons, experience difficulties in accessing university life will be facilitated. | |
| All aspects related to "academic dispensation", "dedication to study", "permanence" and "academic fraud" will be governed in accordance with the current academic regulations of the UDC. | |
