## Other comments

1. The delivery of the documentary works that are made in this subject: a) It will be requested in virtual format and/or computer support b) It will realise through Moodle, in digital format without needing to print them 2. The importance of the ethical principles related to the values of sustainability in the personal and professional behaviours must be taken into account.3. Work will be done to identify and modify prejudices and sexist attitudes and the environment will be influenced in order to modify them and promote values of respect and equality. 4. The full integration of students who for physical, sensory, psychic or sociocultural reasons experience difficulties to an adequate, egalitarian and profitable access to university life, will be facilitated.5. Attention to diversity: The course may be adapted to students who require the adoption of measures aimed at supporting diversity (physical, visual, auditory, cognitive, learning or mental health-related). If this is the case, they should contact the services available at the UDC/at the centre: within the official deadlines stipulated prior to each academic term, with the Diversity Attention Unit (<https://www.udc.es/cufie/ADI/apoioalumnado/>); failing that, with the ADI tutor of the Faculty of Humanities.6. Additional remarks:Using electronic devices (laptops, tablets, mobile phones and so on) will be permitted only for academic purposes.
