Assessment comments

All evaluated work must score at leat 4/10. You must do at least 50% of the work required to be elegible for a final grade. If you fail to pass either the final exam, the case study, glossary, oral presentation, ITC practicals, critical reading with short written exercices o directed discussion with short written exercises, these parts must be reapeted in the July exam period. Those who are officially rergistered as part-time students, and have been granted permission not to attend classes, as stipulated in the regulations of this University, will be assessed in either of the opportunities according to the same criteria specified for the second opportunity.Important: Any instance of PLAGIARISM will derive in the student failing this subject. Turnitin is a

tool for staff to use in order to check sections of written work originating in other texts and locating the sources. It is a useful way of detecting plagiarism. Its use is optional, but students are to be warned in the teaching guide that it is able to detect pieces of work previously presented in this or any other university, including work by the same student (for any subjectmatter). If coincidences are found, this will be understood as academic fraud, and the regulations concerning academic assessment, grading and complaints on testing will be applied. With this warning, students are hereby informed of the academic consequences. @font-face
