ICT practicals	B3 B6 B8	Marks will be given in accordance to the results obtained in the different tests that will	10
		be set.	
Seminar	A6 B3 B6 B8 C5	Marks will be given in accordance to the results obtained in the different tests that will	10
		be set.	
Problem solving	A6 B3 B6 B8 C5	Marks will be given in accordance to the results obtained in the different tests that will	5
		be set.	

## **Assessment comments**

## Final

marks will be based 25% on continuous assessment marks, and 75% on

the mixed test, either on the first or the second opportunities.

Part-time

students, taking into account their particular situation as well as

the possibilities by the teaching staff, will have an

equal-opportunity treatment to perform their continuous evaluation.

The

evaluation of the early call opportunity is carried out by a specific

mixed exam, comprehensive of all contents and skills of the subject.
