General description	Knowledge of the sociological perspective on the world of work			
Contingency plan	1. Modifications to the contents No changes will be made 2. Methodologies *Teaching methodologies that are maintained No changes will be made *Teaching methodologies that are modified No changes will be made 3. Mechanisms for personalized attention to students Email: daily. To make inquiries, request virtual tutorials and resolve doubts. The tutoring hours will preferably be used to resolve all those queries and carry out virtual meetings with the students. Moodle: daily. The different tools available such as tasks, forums and chat will be used, among others. Teams: a weekly group session will be held for the advancement of the theoretical and practical contents at the time assigned for the subject according to the School calendar. At the request of the students, connections will be made to clarify doubts, both practical and theoretical, preferably in the hours that, according to the calendar, tutorials are scheduled. This dynamic allows a standardized and adjusted monitoring of the students' learning needs to develop the contents of the subject. 4. Modifications in the evaluation No changes will be made *Evaluation observations: No changes will be made 5. Modifications to the bibliography or webgraphy No changes will be made			

Study programme competences

Code	Study programme competences
