Methodologies	
Methodologies	Description
Seminar	Practical lessons in which the students will work with the necessary explanations and information in order to perfect their written, oral and aural skills. Prior preparation will be required for these classes.
Simulation	Oral and listening activities in which students will be given a situation in which they are required to act, i.e. meetings, negotiations, presentations, telephone conversations, etc. The material will be based on the skills acquired during the seminars, and will also require prior preparation.
Oral presentation	Work on the various sections of a business presentation, followed by preparation and delivery of a presentation on a tourism related topic or business plan.

Personalized attention	
Methodologies	Description
Oral presentation Seminar Simulation	The lessons are of an essentially practical nature, and in this sense students' participation is essential. This includes consulting with the lecturer if any sections of the course are unclear to the students, or if they encounter difficulties with the course contents. Students are encouraged to raise these issues during lesson times as well as in tutorial hours. They may also use electronic means including email, the Moodle forum and Teams.
